CONNELLVILLE, PA., THURSDAY EVENING, OCTOBER 24, 1907.

BIG REPUBLICAN TURNOUT GREET THE COUNTY NOMINEES.

Hundreds of Connellsville Voters Enthusiastically Welcomed Campaigning Party for Several Hours Last Evening.

ALL HARMONY FOR THE TICKET.

Metropolis of the Yough Promises to Do Something Handsome for the Republican Nominees—Duck Supper at the Elks' Club Attended by Many.

Connellsville gave the Republican campaigning party a royal greeting last evening for four or five hours they were made to feel that campaigning is worth while. There were no speeches, no red fire. But there was a whole lot of real Republican feeling and enthusiasm. The interest displayed in the visit of the Republican candidates last evening is a fore-runner of what the metropolis of the coke region will do on election day. All of the candidates and the Republican leaders and workers present from other parts of the county are personally known to practically every one of the rank and file of the Republican voters of the Yough region, and it was a renewal of old acquaintances in many instances when they met at the Young House, Smith House and Wyman from 6 o'clock until 9. Later in the evening a duck supper was served for the members of the Elks' lodge, to which the candidates were invited, and attended by a committee composed of H. M. Kephart, D. P. Girdler, A. A. Straub, T. B. Donnelly, S. M. Goodman, C. W. Patterson, Jas. McElroy, W. G. Marquand and C. D. Anderson.

It was shortly after 6 o'clock when the candidates arrived in town. County Chairman John R. Byrne met them in Pittsburgh and arrived at 6:45 o'clock. In the party were J. Q. Van Swearingen, P. A. Johnson, D. P. Girdler, J. J. Barnhart, Dr. H. J. Bell and J. B. Hays. Congressman A. P. Cooper was warmly greeted by scores of acquaintances. The party made their first stop at the Young House, where they had supper and then to a great number of Republicans. The Central Committee of the four wards and Republican leaders had the Tenth Regiment Band out, and for three hours Main and Pitt streets between the Young House and the Wyman took on the appearance of a circus day.

"Don't tell my mother, boys," he pleaded. "I don't amount to much and would worry her."

It was with sickened hearts that fellow trainmen removed his mangled body from beneath the train and laid him on a stretcher. Four cars had passed over him, and below the waist he was so badly mangled that not a piece of flesh as large as a man's hand, with the exception of his lower extremities, remained. In spite of these frightful injuries he retained consciousness. Not a murmur did he make, except to plead that they let him down quickly when lifted into the ambulance.

Wrenn was making his first trip in several weeks and previous to this time he had been on the road but a short time. His train was on its way west when he was struck in the back of the head by the bridge and knocked beneath the cars. He was taken to the Cottage State Hospital, and died on the operating table. The accident occurred at 4:20 this morning and death came before six.

Wrenn was 23 years of age and a single. His home is at Berkeley, a suburb of Norfolk, Va., where he leaves a widowed mother. Some weeks ago he secured employment on the Pittsburgh Division of the Baltimore & Ohio, but a few days after going to work was taken sick and had to go to the hospital. He boarded at Glenwood, and last night began his first trip after having been discharged from the hospital.

speeches from J. Q. Van Swearingen, D. W. Henderson, P. A. Johnson, P. E. Snopce and others.

Musical by John Kiefer, Edna Gillog, Harry Hackenbush and John E. Gaster, and songs by Arthur J. O'Leary and Con Daily were features of the evening that were immensely enjoyed.

EXONERATES JOHNSON.

United States Attorney Will Not Prosecute John Kiefer.

UNIONTOWN, Oct. 24.—The prosecution against W. J. Johnson, the Uniontown hotel keeper, for alleged violations of the revenue laws, was dropped yesterday in Pittsburgh by Assistant United States Attorney Gibson, who would not permit the case to go to the Grand Jury, saying there was no case.

KNOCKED FROM A CAR

Young Virginian, Recently Employed by B. & O., Displays Great Nerve.

FOUR CARS MANGLE HIM

But Albert Wrenn Retains Consciousness—Thinking Himself Not Seriously Injured, He Begs Companions to Keep News from Mother.

Knocked from his position on a box car by the Pennsylvania railroad bridge which spans the lower yards of the Baltimore & Ohio railroad, Albert Wrenn, a young Virginian, fell from a height of about 20 feet, and was mangled by four cars. He was taken to the Cottage State Hospital, and died on the operating table. The accident occurred at 4:20 this morning and death came before six.

Some weeks ago he secured employment on the Pittsburgh Division of the Baltimore & Ohio, but a few days after going to work was taken sick and had to go to the hospital. He boarded at Glenwood, and last night began his first trip after having been discharged from the hospital.

He had something over four dollars on his person when he was killed. He was wearing a suit of clothes, a hat and a pair of shoes. He was also carrying a bag of money. He was taken to the Cottage State Hospital, and died on the operating table. The accident occurred at 4:20 this morning and death came before six.

GUN WASN'T LOADED BUT IT KILLS BOY.

Little John Stael of the Narrows Killed by Young Companion.

SHOT THROUGH THE HEART.

Willie Lashinsky Playfully Points Gun at Stael, Yells Warning and Pulls the Trigger—Report Follows and Lad Drops in His Tracks.

"The gun that wasn't loaded" figured in another distressing affair last evening when John Stael, an eight-year-old boy, was shot and instantly killed by Willie Lashinsky, aged 11. The accident occurred on the Narrows, directly in front of the Lashinsky gate.

There was but one witness to the tragedy, aside from the lad who committed the deed, little Charles Stael, a young brother of the deceased. His story corroborates the statement made by Lashinsky. The accident occurred shortly before 6 o'clock. Willie Lashinsky and a number of other boys had been out hunting. A brother of Willie had a gun, and the other boys were with him. On falling Winchester repeating rifle. On the other hand, the gun was given to Willie to be taken home. The boys had been sniping at the gun and it was apparently un-loaded.

As Willie reached the gate of his home he saw John Stael coming towards him, carrying a card.

"Look out, or I'll shoot," cried Willie.

He forthwith pulled the gun to his shoulder, took aim at Stael and pulled the trigger.

There was a sharp crack as the shot exploded and Stael dropped, shot through the heart. He died almost instantly. The shot was heard by the members of the Lashinsky family, who rushed to the scene. The lad was dead before they reached him.

Officers in Connellsville were notified of the affair and State Constable William A. Morgan, accompanied by County Detective Alex. McElroy, went to the scene immediately. After hearing all the evidence of witnesses and Willie Lashinsky, who committed the deed, an arrest was considered unnecessary. The lad's body was removed to his home, several hundred yards away.

Deputy Coroner J. E. Sims announced this morning that there would be no inquest. The affair was purely accidental. The parents of both lads are almost distracted over the funeral will take place from St. John's Lutheran church tomorrow afternoon at 2 o'clock. Rev. George Dietz, the pastor, officiating. Interment in Hill Grove cemetery.

ENTERTAINED AT CARDS.

The guests of the club were Miss Maudie Jackson of Harrisburg, O., and Mr. and Mrs. A. T. Wright. The next meeting will be held at the home of Mr. and Mrs. Harry Schenck on East Green street.

STOCK EXCHANGE REMAINS CLOSED.

Unanimous Vote of Directors Decides to Suspend Business Temporarily.

PITTSBURGH SITUATION SOUND.

New York Stock Market Was Buoyant This Morning With Increased Values—Savings Banks Beginning to Take Advantage of State Law.

United Press Telegram.

PITTSBURGH, Oct. 24.—The Stock Exchange, by a unanimous vote of the board of directors, was not reopened today. No official statement concerning the matter has been made. One member stated that it is hard to tell when business will be resumed and this is taken to mean that the Exchange will remain closed until after the New York market subsides.

The Pittsburgh financial situation is declared sound and there is no need to fear trouble as a result of the New York storm.

NEW YORK, Oct. 24.—A run threat on the Lincoln Trust Company. A crowd of depositors was waiting for the doors to open this morning. Officers of the concern announced they have plenty of cash to meet all demands. The Twelfth Ward Bank and the Hamilton Bank, both small, suspended this morning. The State Bank Department is in charge of both banks.

The Twelfth Ward Bank had a paid up capital stock of \$200,000, surplus and profits are estimated at \$231,030. The Hamilton Bank had a paid up capital of \$200,000, surplus and profits of \$232,000. Their deposits are \$3,902,940.00.

The stock market opened buoyantly this morning with an advance of from one to two and one-half points. Many stocks were exceptionally strong.

Bankers declare the Twelfth Ward Bank in good shape, and it is thought the closure was a scare. The Hamilton Bank Savings Bank was the first to take advantage of the new State law compelling depositors to give 60 days' notice before their accounts could be withdrawn. This was done on account of the excitement following the closing of other institutions.

The First National Bank has loaned \$2,000,000 at 50 per cent, but there has been no other supply. Many loans have been called in all over the State. A large part of the selling was to liquidate loans, but there were also renewed attacks by force operators which helped to force prices down to the lowest points reached so far today.

This afternoon's report shows the prices of many stocks in the late forenoon had reached the lowest points in years.

beaten a mile. Others in the party were Red Moore, John Schick and Harry Rodgers. They drove from here to the beautiful home of Bill Pettis last evening. The first day out they got five pheasants and eight rabbits. The next day they did equally as well besides dropping over a dozen grey squirrels.

Monday night they went out hunting and were rewarded with the largest coon that has been taken out of a tree in the mountains for years. They brought the skin back to town with them last night. It is a perfect specimen of magnificent proportions. Moore and Rodgers wanted to call the dogs off when they traced the big animal declaring a bear had been fired and they didn't want to take any chances at night. If the critter was caught out of the tree where he took refuge.

STOCKING STREAMS.

Fish and Frogs Sent to Many Localities During Summer and Fall.

Western Pennsylvania streams are now being stocked with fish. Last week Superintendent Stafford of the State Hatcheries shipped 17,000 fish to the Pittsburgh district and about 75,000 to be placed in Connetquot Lake and tributaries. During the summer there were shipped 51,000 small mouth bass to various points in Western Pennsylvania. Shipments of bass, sun fish and frogs have been sent to many counties in the western part of Pennsylvania.

STORE IS ROBBED ON MAIN STREET.

Burglars Last Night Got Overcoats and Jewelry From S. E. Kinsbury's.

PROPRIETOR DENIES LOSS.

But It Was Reported to the Police and They Are Working on the Case. Entrance by Store Was Gained by Means of a Transom.

It was reported to the police this morning that the store of S. E. Kinsbury on West Main street had been entered and robbed during the night. The proprietor, however, denied the rumor.

"It was a false report," he told a reporter for The Courier. "There was nothing taken from the store. We haven't missed anything."

From other reliable sources, however, it is learned that burglars gained access to the store and made a rich haul of overcoats and cheap jewelry. As Mr. Kinsbury refused to state what his loss really was, this could not be positively ascertained. One rumor has it that a dozen overcoats, a rain coat and a large quantity of jewelry was taken, while another says that but two overcoats are missing.

Mr. Kinsbury carried no burglar insurance on his stock. Officers are working on the case, which was reported to Chief of Police Rottler immediately after being discovered.

Chief Rottler is being assisted in finding the burglars by State Constable J. E. Morgan, who has gained quite a local reputation for detective work since being detailed here.

The burglars gained entrance to the store, it is said, by means of a transom.

CARS COLLIDE.

Three People Slightly Injured in West Penn Wreck Near Lambert This Morning.

UNIONTOWN, Oct. 24.—Three persons were painfully bruised and two cars badly smashed up this morning in a collision on the Leokoma Division of the West Penn railway when a work train at short distance north of Lambert. The injured are:

Squire Charles Howard of Mason town, leg badly broken.

Mary Kreutz, head cut and body bruised.

Lester Kreutz, bruised and cut.

The passenger car was in charge of Motorman McFadden and Conductor Frank Brownfield. While rounding a curve McFadden saw the work train approaching at a rapid rate. He reversed and did everything possible to avert a collision, but to no avail.

The work train consisted of a motor car pushing a load of ashes. The ash car hit the passenger coach, knocked the end out of it and scattered ashes over the passengers. Traffic was delayed to some extent. It is believed the passenger crew was not to blame for the affair and it is believed that the work crew was equally not at fault.

Howard Anderson Missed Bank Similar to One Found.

Howard Anderson is of the opinion that the bank found in a Pennsylvania box car was one taken from his home a few days ago. Anderson missed the bank and thinks that it was taken by someone who gained entrance to his house by means of a key that was lost.

As the number of the bank was broken off, it will be a hard matter for the Colonial National Bank to positively prove the ownership.

SIX BIG NEW PLANTS.

The H. C. Frick Coke Company Plans Them for Coming Year.

WORK WILL START ON THREE

Within a Short While and the Others Will Be Started Next Spring—Frick Company Now Completing Several Finely Equipped Plants.

Developments of the Lower Connellsville coke region have been extremely rapid but an added impetus will be given it with the erection of six additional large coke plants by the H. C. Frick Coke Company. The company has plans prepared and shortly begun construction upon three of these plants. The other three are to be started in the early spring.

The six new plants of the company are to be located at the following places: One between Dearth and New Salem; one on Kelly Run, near East Millsboro; one on Rush Run; East Millsboro; one on Meadow Run, near East Millsboro; and one on Aurora Run, near Dearth.

The company is now completing work upon four additional plants in the Lower region. These are Colliers, the Phillips plant, near Shaw station, 100 yards from the Phillips plant, and last week 100 of these ovens were fired. Coal has been taken out at Dearth for years, but the company has only started the construction of a 450 oven plant and now has a large number of ovens ready to put in blast. Colliers and Dearth are now being pushed to completion. It is expected that all six plants will be completed by the first of the year. The company has had running five large plants, Huntington, Dearth, Phillips, Lambert and Leokoma, for several years, and the big tonnage that will come from the new plants will undoubtedly place it far in the lead of all the combined independent plants of the region.

More than a million dollars will be expended in the development of these properties.

CHEMICAL PLANT MOVES.

Yough Company Preparing New Quarters in Decatur Alley.

The plant of the Yough Chemical Company, which has been located in the Adams building for several years, is being moved into new quarters in Decatur alley, near the present location of the Fire Department's equipment.

The building was formerly occupied as a stable by the State Constable, but it is being thoroughly renovated.

As a consequence of the change in ownership for the property has been purchased by the Yough Chemical Company, the horses of the local State Police are located in the stable of Joseph Morris on West Church Place.

HE WILL GO ON TO UNIONTOWN

This Afternoon Where Big Meeting Is Scheduled to Take Place This Evening—Delegation Will Go from Connellsville.

John O. Sheatz of Philadelphia, the man who will carry the Republican standard to victory and will succeed Berry in the state treasuryship, arrived in Connellsville this afternoon at 12:30 o'clock over the West Penn from Greensburg, Pa. Mr. Sheatz was expected on the Southwest train which arrived at 10:45, but the big delegation of citizens which was on hand was disappointed.

Mr. Sheatz was accompanied by Postmaster John F. Austin, of Corry, who appeared with him in Johnstown last evening. He was escorted to the Wyman hotel, where lunch was served, after which a reception was held at which many Connellsville people were present to the nominee for state treasurer.

It was explained by members of the party that it was highly inconvenient to reach Connellsville on the train which was supposed to carry them. To carry out this plan it would have been necessary to leave Johnstown shortly after 5 o'clock and then lay over in Greensburg for several hours.

Instead Mr. Sheatz and his party arrived in Greensburg about 10 o'clock this morning and went to the Fisher House, where an informal reception was held for an hour, then leaving the Westmoreland county seat at 11 o'clock and arriving here a half hour after noon.

When the Southwest train drew in to the station this morning there was a big delegation of Grand Army men and veterans on hand to meet Mr. Sheatz, putting a great story that the Republican nominee was unpopular with them because of the failure of the soldiers' pension bill. Among the well known veterans on hand were Capt. Lloyd Johnson, B. F. Boyd, Mr. Clark, Frank Miller, Clark Collins, Bruce Cox, Isaac Shaw, John Beatty, Gibson Helm, E. Y. White and Henry Kortz.

A number of men on the Republican ticket and a delegation of B. & O. citizens from Connellsville were also on hand. Of the candidates there were present P. A. Johnson, the candidate for sheriff, and Davis W. Henderson, the candidate for district attorney. In the delegation of local men were C. J. M. Field, a member of the Sheatz reception committee, named by County Chairman John R. Byrne for the big Union town meeting this afternoon, H. M. Kephart, J. Driscoll, T. B. Donnelly and a number of others.

Congressman Allen P. Cooper arrived from Uniontown at 11:20 and was on hand when the car carrying Mr. Sheatz arrived.

After meeting a number of people who were on hand the party adjourned to the Wyman hotel for lunch. After lunch there was a constant stream of people pouring into the hotel to meet the distinguished guest.

From the hospital Connellsville citizens in order to go to Uniontown to fill his engagement to speak there this evening in the West End theatre.

Mr. Sheatz is more than delighted with the reception he has been receiving all over the State. He speaks highly of the loyalty of the Republicans and he has every reason to believe that he will be swept into the state treasuryship upon an old fashioned Republican victory.

Many Connellsville people informed Mr. Sheatz that they will be in Uniontown this evening to hear him speak. While a number of the prominent men who will speak tonight did not accompany Mr. Sheatz to Connellsville they will be on hand and the big rally promises to be a roaring affair.

Congressman Cooper received a telegram this morning that Adj. Gen. Thomas J. Stewart will likely be present, while Congressman James F. Burke and George T. Oyster of Pittsburgh will make short addresses and will preside, while Congressman Cooper will also make a short address.

A big bouncing 10 pound baby girl arrived at the home of Mr. and Mrs. D. B. Burdett on South Pittsburgh street last evening.

PARTY AT SCOTSDALE

Westmoreland County Candidates Visit the Mill Town on Wednesday.

MEET WITH A GOOD RECEPTION.

State Police Officers Arrested Two Men Suspected of Robbing Alverton Store—Firemen's Benefit on Friday Night.

SCOTSDALE, Oct. 24.—County Chairman C. C. Crowell and the candidates on the Republican ticket were in Scottdale a few hours on Wednesday afternoon meeting a number of the county's voters. In the party besides the county Chairman were R. D. Wolfe, the Western news paper man of Greensburg and Irwin, who is a candidate for Poor Director, and who has a host of friends all over the county; R. D. Wolfe is a man who has always made friends and holds them; David A. Miller, the candidate for Register of Wills, whose legal qualifications have brought him into contact with many of the people who go to the County Seat and have found "Deaf" Miller always accommodating and lastly, and not least, John Shields of New Kensington, the candidate for Sheriff, whose worth and integrity is known all over the county, and who is making friends wherever he goes. Crombie Allen, the manager of the Tribune and Press of Greensburg, completed the outfit and was greeting his many friends. Crombie is a good newspaper man, a solid young fellow and one of the Westmoreland county's representatives in the young men. Many of the workers were met and it was the only regret that the unexpected time that the party had to come down and the necessary brief stay that they did not get to meet some of the people of Scottdale. From here the party went to Mt. Pleasant and today they will be at Vandergrift. They say that the outlook for the entire Republican ticket is good wherever they have gone and that the Westmoreland county majority is shaping itself up.

State Police D. M. Gjertsen made a pair of pants are believed to be important arrests in connection with the robbery of W. A. Byers' store at Alverton on Monday night. The matter was reported to the State Police and Gjertsen was detailed on the work. He went to Alverton and looked the place over, and after hearing the suspicions of the storekeeper began switching two young men that had been about there. He finally arrested one of them, Julius Warheit, and then searched the house where the other suspect was robbing. There he found goods in a dress suit case and these goods were identified by Mr. Byers as being ones that were in his store just before the robbery. They consisted of a suit, with the price tags on it, a new pair of shoes, a new razor, several fancy handkerchiefs, a muffler, three watches and other things. He then arrested Walter M. Luckie the owner of the suit case and, with a few well directed questions caused him to confess that he and Warheit had been in the store. Both young men were lodged in the Scottdale lockup and will probably go to Greensburg.

The boys of the Scottdale Volunteer Fire Department are very busy selling tickets for the benefit performance that F. J. McMahon of the Star Theatre of Broadway is giving on Friday evening. The proprietor offered on the proceeds of the evening named to the V. F. D. Company and they appreciate this act very much as the theatre is popular and a much patronized one.

SIMPLE SIMON.

Popular Attraction Comes to the Colonial Theatre This Evening With Good Company.

At stated periods Nixon & Zimmerman, the Simple Simon theatre company of Connellsville and theatre goes never on to tire of this merry cartoon extravaganza. The personnel of this season's company differs widely from that seen here on former visits, and the new songs and dances are highly spoken of elsewhere. Miss Texas Guinan is now the Alma Mater. Miss Lillian Goldsmith the Hindu. Miss Margaret Baxter continues in the role of Mammy. Charles H. Osborne is a new Simon and George Edwards will be seen here for the first time as "Vice". The chorus is said to be the finest ever assembled and picturesque in the road. Simple Simon comes to the Colonial tonight.

The prices for Simple Simon Simon are unusually low on account of the show having been here so frequently in the last few years and its coming tonight is really a bargain in the good melody. This season's show differs materially from last season's production. There are new dances and Simon and Mammy have many new tricks. Simple Simon appeals particularly to the children, and the little folks are playing to turn out in great numbers. "La Veta" the Arabian too dancer will be seen for the first time in Connellsville. The chorus is spoken of as being the best ever taken on the road.

JOHN D. TO RESCUE.

Oil King Pledges Resources to Prevent Unreasonable and Causeless Panic.

MORGAN ALSO TAKES ACTION

Heavyweight Financiers Get Their Heads Together in New York and Adopt Plan to Protect Trust Companies That Are Worthy of Help.

New York, Oct. 24.—John D. Rockefeller has taken an active interest in the present financial situation and he has arranged to loan very large sums to a number of New York financial institutions.

"I think," said Mr. Rockefeller to a representative of the Associated Press, "that the existing alarm among investors is not warranted and I hope the good common sense of our American people will control the situation."

"Personally I have absolute faith in the future of the values of our securities and the soundness of underlying conditions."

"Instead of withdrawing any of my money from the banks I am cooperating with others in helping to meet that which I firmly believe to be only a temporary crisis. Everyone having the good of his country at heart should by word and deed and a hand now to establish confidence and I propose to do my part to the full extent of my resources."

New York, Oct. 24.—There has been a sharp turn of sentiment in financial circles and renewed confidence in local banking institutions taking the place of the panicky feeling that has threatened solvent houses and demoralized the stock exchange for the last few days. Last night those financiers whose deliberate opinions are most highly esteemed by the public expressed the conviction that the worst was over and that out of the present chaos a condition more stable than any for some time existed was rapidly shaping itself.

"Many of the banking men who had labored almost day and night recently that the integrity of New York's financial institutions might be maintained went home last evening satisfied that the situation was under control and that the support had been forthcoming against the panic runs and other contingencies. Serious minded men who have met the storm in sober mood left their offices smiling and chatting and with a general feeling that spoke volumes to those who are accustomed to seeing the news of the street in the faces of its big men."

"Big Men to the Rescue."

Several factors contributed to this change of feeling. First and foremost, was the determination reached by men of great influence in the financial world and whose probity is unquestioned to restore confidence, insure safety and prevent panic. Conspicuous among these men is J. P. Morgan, who, as James Stillman, president of the National City bank.

"Throughout the day there were conferences at the offices of J. P. Morgan & Co. and while guarded statements only of what was done at these gatherings were given out the fact that such men were conferring, linked with their known standing and financial resources, did much to allay fear for the future. News of these conferences quickly ran through the financial district, allayed the fears of the extremely nervous and certainly aided the stock market, where this influence was most apparent. Recovery of prices toward the close of a day during which new low levels had been reached.

Next in point of influence was the presence at the subcommittee of Secretary of the Treasury, Mr. Mellon, who had not only the moral influence of a representative of the government but during the course of the day caused to be deposited with New York banks a large sum, said to be \$10,000,000.

Mr. Mellon's reassurance call, and all who conferred with him subsequently appeared to have been reassured.

Ridgely Makes Statement.

Washington, Oct. 24.—The Controller of the Currency Ridgely last evening gave out a statement saying that the general feeling indicates an absolutely sound situation, that there is not the slightest need of apprehension about the banks and trust companies of the country, that the banks of the reserve cities have every disposition to leave their balances in New York and other central reserve cities and attributes the trouble in New York to the condition of a very few concerns discredited by the operations of their officers and to the different prices of stocks and securities as between New York city and the country banks.

ROBBED HIS OWN STORE

Williamport Merchant's Manager Arrested After Run.

Williamport, Pa., Oct. 24.—W. S. Little, manager of a local tea store, met Patrolman Culver on the street and told him that his store had been burglarized and that \$300 in cash and checks were stolen. A hurry call for a detail of policemen was turned in and the store was entered. Little leading the way.

So few evidences of robbery were apparent that the policemen became suspicious and searched Little himself. On him were found the missing checks and money. He was locked up at the city hall and upon information made by Chief of Police Evans he was given a hearing on a charge of embezzlement. He held in \$500 bail.

TAME MEETING OF SCHOOL BOARD

All the Directors Got Together and Paid Bills Last Evening.

NEARLY \$10,000 CHECKED OUT

Treasurer John Irwin Makes Fine Report—No Effort Was Made to Fill Vacancies—Treasurer Officer Will Get After Small Boys.

At a brief adjourned meeting of the school board which was held last night, the Finance Committee was directed to have papers prepared for a bond issue to cover the cost of improvements to the Second Ward school building. The matter of a bond issue was discussed by the members present and unanimously decided upon. The proposition to have the Finance Committee appoint the attorney was suggested by Dr. M. B. Shupe when President Gans asked the board to name some lawyer. Dr. Shupe suggested as was made into a motion, W. S. Seleck seconding it.

"Any questions, gentlemen?" asked President Gans. "With a minute," said Dr. Shupe, "let's see who is on the committee."

This was after the fact had been mentioned that Attorney B. C. Higbee had prepared the South Side bond issue.

It was found that President Gans, P. J. Harrison and T. J. Holt composed the committee. Dr. Shupe's motion was then voted on and carried. After the regular meeting adjourned the Finance Committee held a session and selected Attorney Higbee. It is understood that these bonds will bear only a 4 per cent interest, as the issue will be large enough to demand a high rate of premium.

The meeting last night was peaceful in its entirety. Not a word appeared on the surface. The board heard the report of Treasurer John Irwin, paid bills and gave instructions to the Borough Marshal and Trust Officer. It then adjourned.

The Borough Principal and Trust Officer were directed according to the new Act of Assembly covering such cases to notify parents and guardians whose pupils are out of school of the penalties that exist under the Act.

The question of visiting the establishments where boys under legal age are employed was also acted upon. The Trust Officer was directed to visit each establishment in town. If there are any boys of school age in the employ of any of them he may be discharged by the Trust Officer from the employ of the company or firm. Boys so affected have the right of appeal, first to the Borough school authorities, and then to the Court of Common Pleas, if he feels aggrieved.

Reports were then made by the following report which proved one of the most concise and comprehensive that has been submitted to the board for consideration during the past several years.

The Y. M. C. A. Membership Will Reach the 500 Mark in Membership This Afternoon

The membership campaign inaugurated at the annual Business Men's Banquet, in which it was decided to increase the Y. M. C. A. membership from 172 to 500 in an earnest effort to reach the 500 mark, was announced last night that the 500 milestone will be passed early today. They also announced that when the coveted 500 mark is reached, that Connellsville could boast of not only one of the best equipped organizations in the State, but also the largest membership of any town of its size.

The men have been formed into teams and will thoroughly canvass the town so as to advise you to be ready to produce the coin when holl' up. But for fear you might be missed it might be a good idea to write your name on a card and send it to the Y. M. C. A. today. Yesterday the membership was 472, today it is 491.

SECOND ANNIVERSARY

Of the L. A. to O. R. C. to Be Held on Tuesday

The L. A. to O. R. C. will celebrate its second anniversary with a birthday party Tuesday evening, October 29, in Clarks Hall on North Pitts burg street.

An interesting program is being arranged by the ladies and the affair promises to be a most enjoyable one. Refreshments will be served at the close of the program.

Three Ages of Girlhood.

Three ages of girlhood were illustrated the other day by a trio of mature maidens. The first a girl of about ten, pushed a go-cart in which sat a two-year-old baby. The second a child of seven wheeled a doll carriage in which lay a huge doll. The third, a lot of four, propelled a diminutive cart from which a huge Teddy bear smiled blandly.

What Do You Know About the Shoe Question?

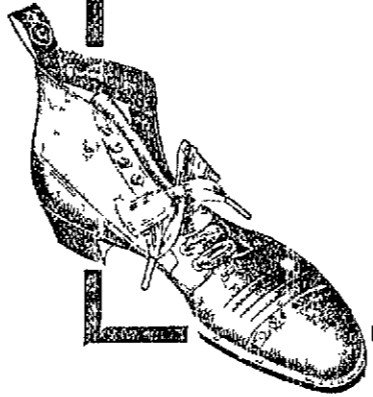

In these days of advancing prices, a shoe specialist is kept busy knowing it ALL for there are many deceptions practiced that can be detected only by the keen eye of an expert. A paper inner sole may be substituted for leather, oil cloth may be used for patent leather, light weight, inferior lining may be used and still the shoe will present a very striking appearance.

You've got but one sure way of knowing you're getting value received in a shoe purchase these days and that is, buying from an establishment that values its reputation for fair dealing above all else.

Our \$5.00 Shoes

Our buyer in the selection of a \$5.00 shoe, visited a score of factories that specialized on this grade of footwear. The one factory that he considered best imported 250 men from Germany that had served an apprenticeship of fourteen years making hand-made shoes. These men are placed on the fourth floor of an immense factory and never allowed to touch other than these 500 shoes. The result—We will show you a shoe for ladies that has a sole three sixths of an inch in thickness still is pliable as a glove. This flexibility can only be attained by the employment of expert craftsmen and the use of high grade leather.

Every shoe we present is as carefully made in proportion to the price and not a shoe of any kind, man's woman's or child's can find shelf room here until it has passed the most rigid scrutiny. Our buying facilities allow us to demand many things in a shoe that small dealers cannot secure. A department store can operate a shoe department at less expense than an exclusive shoe dealer can conduct his class of store. A department store buys double the number of shoes to be sold by little dealers. Result—a department store buys and sells for less and demands and gets better shoes. Our shoe prices and shoes are here to prove it.
